 <p>The large desktop mockup shows the SolidWorks logo and 'Electrical Content Portal' at the top left. A language dropdown is in the top right. The login form includes 'Email' and 'Password' fields, a 'Remember me' checkbox, and a 'Log in' button. A '3DEXPERIENCE' compass logo is on the right. Links for 'Register' and 'Forgot your password?' are at the bottom. A version and terms of use link are at the very bottom.</p>	 <p>The small desktop mockup shows the logo and product name. A validation message 'Please enter a password.' is displayed in a red box above the password field. The email field contains 'janedoe@gmail.com'. The 'Log in' button is highlighted. 'Register' and 'Forgot your password?' links are visible.</p>	 <p>The small tablet or phone mockup shows a condensed logo and product name. The language dropdown is open, showing options: Deutsch, English (highlighted), Español, Français, and 日本語. The 'Log in' button is highlighted.</p>
<ul style="list-style-type: none"> ① Show logo + full product name on large and medium screen. ② “Email” and “Password” are requirement login inputs that need to be validated. “Remember me” is optional. ③ Only show compass logo image on large desktop screen at the right side of login panel on the white background <p>UXPin Mockup link</p>	<ul style="list-style-type: none"> ④ Show validation message box on top of the inputs fields. ⑤ Login button will take user to homepage once the email and password inputs are correct. ⑥ “Register” text link will direct user to Register page. ⑦ “Forgot your password” text link allows user to reset password. <p>UXPin Mockup link</p>	<ul style="list-style-type: none"> ⑧ Show logo + product name in short term on small screen. ⑨ Language label & globe icon serves as action button to open the language option list. The default language or selected language is highlighted in light blue. ⑩ “General Terms of Use” is the hypertext link to open a new browser tab/window to share the terms content page. <p>UXPin Mockup link</p>

Version : 3.0.12 | General terms of use

- 1 Show logo + full product name on large and medium screen.
- 2 "Back to Log in" hypertext link brings users back to login page.
- 3 Register is divided into 2 sections: 1) Create Profile Info and 2) Create Login and Password. Each section has section title and a separate line below.
- 4 Only show compass logo image on large desktop screen at the right side of login panel on the white background.
[UXPin Mockup link](#)

- 5 Show logo + product name in short term on small screen.
- 6 Place the "Required *" field indicator on the top right below the 1st section separate line. All the required input fields will be marked with the "*" at the right side of the field label
- 7 Click/Tap on the Register button, all the inputs will be validated.
[UXPin Mockup link](#)

- 8 If no validation error, show the success message box on the very top.
- 9 All the Input fields will change to read-only mode
